The Sunnyvale Department of Public Safety is hosting its second annual "Rides for Toys" event Sunday, December 6. During this free special charity event, each child who donates a new, unwrapped toy will be given a ride on a Sunnyvale fire engine.

Parents will have a chance to discuss fire safety with Sunnyvale fire personnel and receive informational brochures. Sunnyvale firefighters will present the donated toys to Sunnyvale Community Services, a nonprofit organization supporting those in need in our community.
